

## GMS re-affiliation OR registration

To all Rosslyn Park parents/guardians

As most of you will know all minis & youth players need to be signed up on the RFU's GMS (Game Management System). It's a RFU condition all clubs need to meet. This is separate from club membership. **NB:** membership shows as an option on GMS but please ignore it.

Everyone who was registered for 23-24 season should get a prompt email from RFU from July onwards asking them to renew their age grade registration - all parents/guardians have to do this on behalf of their players. **NB:** make sure you affiliate to Rosslyn Park as your club. You can add school, position played as an option.

If you are new to the club or didn't do this last season please action for 24-25.

ALL Coaches MUST also be registered in order to participate in RFU training courses.

Links, videos and notes to help are below:

- How to Register Age Grade players as a parent @ [Register AG Player](#)
- How to renew Age Grade players @ [Renew AG Player](#)
- How to create an account @ [Create GMS Account](#)
- How to add family member @ [Add Family Member](#)

RFU has a Community Rugby Help section @ <https://help.rfu.com/support/home> so if anyone has problems, locked out of their accounts, duplicate accounts etc, the solution can be found there and worst case they can raise a ticket to GMS support.

**NB:** Rosslyn Park Membership is NOT processed via GMS it's directly with the club <https://rosslynpark.co.uk/membership/minis-youths/>

Contact [membership@rosslynpark.co.uk](mailto:membership@rosslynpark.co.uk) with any membership issues.
